Memorandum

My work in the department is coming to a close and I can start for Calcutta by about the 20th instant. On my arrival there, it is better for me to go to Simla to see Sir W. J. Cunningham in order to bespeak his help before he starts for Burma. This trip may take a week.

2. Calcutta is a usually very dear place: it must especially be so now, on account of the famine prevailing in that part of the country. It is necessary that I should take a proper private Establishment. House rent & carriage hire are very high. It will not be conducive to the success of my mission not to be well equipped commensurate with the status and requirements of my position

3. I require a clerk and two peons to go with me. The Khedda hands have been dispensed with. I require leave to take two peons from the Establishment. Provision is made in the budget for them pay only till December next.

4. A clerk is indispensable. One may be given from some office, or I may be permitted to appoint one on 30 rupees a month.

5. An advance of rupees 1000/- is wanted for incidental expenses.

6. I beg also that my batta and allowance while on Special duty at Calcutta may be settled. I need hardly say that the batta, (Rs 5/- a day or 8 annas a miles) which is paid in the province will hardly suffice at Calcutta, where living is dear and the distances to be covered considerable. If I may draw a Special rate of Rs 10/- a day, I think the allowance will barely cover the expenses.

K. Thammiengar
Superintendent
Khedda's, Mysore

Read:—

Memo (without date) of Mr K. Shamiengar, Khedda Superintendent requesting that, while on deputation to Calcutta, he may be allowed (1) an Establishment consisting of a Clerk and 2 Peons, and (2) an advance of Rs 1000 to meet the incidental expenses of his journey; and further requesting that the question of his Travelling Allowances while on Special Duty may be settled.

Order thereon: 696-7 dt/16.12.96

The Government are pleased to sanction the following Establishment to Mr. Shamiengar ~~temporarily during the period of~~ during his deputation to Calcutta:—

1 Clerk on Rs 30 a month with Travelling Allowances at rates granted to permanent Officials of corresponding rank.

2 Peons at Rs 7 each a month with Travelling Allowances at rates granted to permanent menials.

2. In addition to usual Travelling allowances Mr. Shanmugam will, while in Calcutta, be allowed a carriage allowance of Rs 150 a month and the actual rent of the house engaged for his accommodation.

3. The foregoing sanctions with ~~Sd~~ Cesa ~~on~~ 15th Jany 1898 by which date Mr. Shanmugam is expected to be able to complete the work ~~Sd~~ which he is now deputed. The payment of the advance of Rs 1000 asked for by ~~Mr. Shanmugam~~ him is also sanctioned; this amount should be duly accounted for and the advance adjusted in due course.

had to go to Bangalore and wait for his

His docket No 76/26-98 dated 7th inst. requesting that the Travelling allowance bills of Mr. K. Shamiengar and his Establishment while on deputation to Calcutta, may be checked and return--

---

With reference to the above has the honor to state that the route taken by Mr Shameng

appears to be the shortest, but he has travelled partly by rail and partly by steamer. The amount charged in the bills on account of the railway journey has been checked with reference to the Southern Maharatta and Madras Railway guides and corrections duly noted in red ink. With regard to the steamer fare Mr. Shamiengar charges for himself Rs 100/ for both the journeys and for his Establishment Rs 53-8-0 and as this is not provided for in the Mysore Service Regulations this office has no means of check the rates. Special sanction of government should therefore be obtained to ~~audit~~ admit.

2. Mr. Shamiengar's stay at Calcutta has been limited under para 3 of Government Proceedings No 696-7 / Miscl. 26-96 dated 16th December 96 to the 15th January 98. and Calcutta claimed beyond that date can not be admitted by this office without the express sanction of Government.

The bills are herewith returned.

My dear Sir

With reference to the Comptroller's letter read to me today I beg to state that you are personally aware from my reports made from time to time that the work in Cubbon Pet. has retained me there till this date of much and that for sometime more may be obtained for my carriage & the Govt. Establishment allowance till the end of March as a minor Dy allowance of Rs 150 has been sanctioned

Memo

In Proceedings no 696-7
Mux F26-96
dated 16th December 1897, the
Government sanctioned a
temporary Establishment
consisting of a clerk and 2
peons to Mr. Shamengar
during his deputation to
Calcutta, and in addition to
usual travelling allowances
Mr. Shamengar was allowed
to draw a carriage allow-
ance of Rs 150/- a month, while
at Calcutta. In para 3 of
the order it was directed
that the foregoing sanction
should cease on the 15th
January 1898 by which date
Mr. Shamengar was expected

to complete his work

2 Mr Shamiengar returned to Bangalore on the morning of the 19th March 1898; and he requests that the period sanctioned for the entertainment of the temporary Establishment may be extended up to the end of March 1898. and carriage allowance allowed to him up to that date He has accordingly submitted for sanction of Government the following bills:—

(1) The Pay Bills of the temporary Establishment for the months of January, February, and March 1898.

(2) Bill for his carriage allowance

× According to the Government Order, the carriage allowance is payable only for the period when he actually stayed at Calcutta Mr Shamiengar returned to Bangalore on the 19th March and yet he has charged carriage allowance for the whole month

allowance amounting to
Rs 450/- for the above-
mentioned 3 months

(3) His travelling al-
lowance bills for the
3 months

† (4) The travelling al-
lowance bills of his Esta-
blishment for- do -.

† In these bills, daily batta for himself and his Establishment has been charged for the number of days Mr. Shamiengar stayed at Calcutta. Perhaps this may be allowed.

3. Out of the sum of Rs 1000/- advanced to Mr. Sha-
miengar Rs 99-9-6 have
been expended by him for
~~his~~ 'Contingent expenses'. The
adjustment of this amount,
as per bill and vouchers

Here in I beg to enclose a telegram received yesterday by Mr. Rakhal Chendersheer requesting the remittance of 760 Rs being the further cost for the acquisition of private land Although the telegram does not contain any details yet I presume that the party not having agreed to receive the sum fixed by the assessor, the matter seems to have been adjudicated in the civil court and the amount now applied for, seems to have been awarded by it in addition to the original sum 1400 Rs. This amount may be remitted to the retary to the municipal corporation direct me.
